

**Clear Image Dynamic Body Shaping Machine**

**Clients Benefits**

- \*Reduce the appearance of Dimpled skin
- \*Improved circulation
- \*Effective Body shaping
- \*Skin tightening
- \*Anti -aging
- \*Smoother heathier Looking Skin

Body Shaping machine takes the form of 3 programs into one fully programmed computerised toning treatment system. Either part of the combo system can used singularly or jointly to produced the desired effect. Specially designed pads are placed on the body according to your clients specific needs to maximise body tone, reducing the appearance of cellulite.

The body lymphatic systems is stimulated, resulting in dispersal of excess water & assisting in Detoxification. The results after a course of the Body Shaping Machine can be quiet remarkable. There will be signs of much heathier looking skin, improved muscle tone, also helps reduced sponginess & appearance of dimpled skin, becoming smoother and taking on a more youthful glow.

Best results will come from a programme of 4-8 treatments.

*Celebrating 16 years in Business*

It's hard to believe that Clear Image (formerly Jo-Anne's Avenue of beauty) is now 16years old. The time has come and gone so quickly but most importantly, we have managed to survive in a very competitive industry. I wish to thank all our clients for your loyalty and support in helping to make the past years a great success.

Thank-you
